

# CA Bass Federation Club Affiliation Form

This form is used to affiliate with the **CA Bass Federation** and the **Bass Federation (TBF)**. Fees are as follows:

- Membership to CA Federation = **\$5.00** per member
- Membership to TBF = **\$15.00** per member

The CA Bass Federation will collect the total monies due (\$20.00 per member) and will forward the respective fees to the TBF on behalf of your club. As with our prior organization, all members will need to signup with the FLW (standard competitor membership). You can sign up using the self-service online form on the FLW Web site:

<https://www.flwoutdoors.com/membership/simple.cfm>

**Important:** *Affiliation dues are required to be submitted **each calendar year** in January but not later than February 1. If affiliation laps, it may jeopardize your club members from fishing sanctioned regular and championship events.*
